LAWYER STUDIO PROFESSIONALE INCIPIT

The Incipit Study is a professional study, where different competences are interacting and integrating to offer a global range of services to people. Consultancy, legal representation, therapy and psychological support becomes collective action that differs from the individual help that a single professionalist can offer. All the work in the Study is based in to the practice of sharing.

The skills of the law firm are in family law, criminal law, labor law, social security, immigration law including the legal advice for foreigners and international inclusion and mobility projects. The Study provides as well special skills in management of projects funded by European and national funds. The specializations of psychotherapists concern evolutionary age, psychotraumatology, family therapy and adult psychopathology.

As a lawyer Luce Bonzano is member of this study and gives her contribution as legal expert in judicial and extra-judicial matters concerning labor law, anti-discrimination law, immigration law, with a particular specialisation in refugee's and asylum law. She has took part to different researches on different aspects of labor law and workers' rights as well as on discrimination, political asylum, migration and citizenship, at international and national level.
